

Architectural Review Committee Approval Form for Exterior Paint

In accordance with our community's Declarations of Covenants, Conditions and Restrictions (2015), prior to painting the exterior of your house or other outbuildings, you must obtain approval of the HFVOA's Architectural Review Committee (ARC). Please use this form to communicate your request to them; mail to the HFVOA's address (in the letterhead). Please allow ~2 weeks lead time for approval.

Exterior Paint Specifications per ARC Regulations:

"Exterior paint of Hawthorn Farm Village houses or outbuildings must be harmonious with the others in the subdivision. Prior to painting the same color or change the exterior color, you must submit the color scheme to the Architectural Review Committee for approval. Only three colors of paint on one building are allowed. The entry door may be a separate color. Outbuildings must match the main structure...Paint finishes to be used on the body of the home should be of a flat or satin content. At no time can high-gloss paint be used on the body, trim (including shutters) or door(s) of a home."
