

Architectural Review Committee Approval Form for Roofs

In accordance with our community's Declarations of Covenants, Conditions and Restrictions (2015), prior to putting a new roof on your house, you must obtain approval of the HFVOA's Architectural Review Committee (ARC). Please use this form to communicate your request to them; mail to the HFVOA's address (in letterhead). Note: there is an online form can be used and emailed. Allow ~2 weeks lead time for approval.

Roof Specifications per ARC Regulations:

"Construction plans, a description and design, and samples of roofing materials must be submitted to the Architectural Review Committee for approval prior to the work taking place. Composition roofing is preferred."

Please Print
